Request for opinion on storage of hardcopy prescription records in the pharmacy vs. on-location "HIPAA room".

Although the Board understands the space constraints in some pharmacies , the Board recommends that every effort should be made for the storage of hardcopy prescription records to be kept in the licensed area of the pharmacy for a period of 1 year.

The meeting was recessed at 11:48 A.M.

A non-public session was called (Manoukian/Keans) at 11:48 A.M. with Commissioners Bowersox, Hayes, Keans, Manoukian and Petrin present.

Discussions and/or decisions occurring during this non-public (confidential) session were according to RSA 91-A:3, I & II and involved information pursuant to ongoing investigations as reported by the Board's Compliance Investigator(s) and/or the Office of the Attorney General, the disclosure of which would likely adversely affect a person's reputation and/or would render the Board's proposed action ineffective.

Upon the motion of Manoukian and the second of Keans, the Board, by roll call vote, resolved to withhold the minutes of the preceding non-public session from public disclosure pursuant to RSA 91-A:3, III on the grounds that public disclosure would be likely to affect adversely the reputation of a person other than a board member and to render the proposed action ineffective. Each member recorded his or her vote on the motion, which passed by the unanimous vote of all members present.

The non-public session was adjourned at 12:10 P.M.

The regular meeting was reconvened at 12:10 P.M.

VI. ADJOURNED 12:11 P.M.
